

## INVITATION

### INTERNATIONAL SCIENTIFIC CONFERENCE STRATEGIES XXI

#### *The Complex and Dynamic Nature of the Security Environment*

**Bucharest, Romania,  
February 27, 2025**

## CONFERENCE OVERVIEW

The goal of the conference is to debate salient security issues and to communicate the research results of the participants. The event aims to promote the strategic and security education and to provide a framework of conveyance for the experts belonging to the System of National Defence, Public Order and National Security. Another valuable goal is to develop the national and international scientific cooperation.

The conference is open to specialists, researchers and academics from the military and civilian institutions as well as to the representatives of the civil society. Students, MA students or Ph.D candidates in the fields of Security and Defence are also invited.

## CONFERENCE TOPICS

- *Security and defence policies in the new strategic environment;*
- *Concepts and theories on security and defence;*
- *The hybrid threats – mindset in the contemporary security environment;*
- *State and new actors in the context of the renewed great power rivalries;*
- *The impact of climate change on national security;*
- *The Russo-Ukrainian war: shaping future security and defence policy;*
- *The Indo-Pacific region and the USA-China rivalry;*
- *Tensions and crises in the Middle-east;*
- *Security trends in the Caucasus and the Central Asia;*
- *Change and continuity in the African security environments;*
- *Strategic scenarios – prospective studies on security and defence.*

## REGISTRATION FORM

Registration form can be found on the conference website at <https://strategii21.ro/index.php/en/registration>

## ADDITIONAL INFORMATION

- In order to be published, papers have to comply with the instructions for authors.
- The final paper must be only in English.
- The papers will be published in a volume with ISSN code, in English, in electronic and printed format (limited edition for university libraries) and will be indexed in the international databases.
- The volume will be published after the conference, until 30.05.2025.
